## **Tighe & Bond Joins VUEWorks Channel Partner Program**

Award-winning environmental engineering firm to help New England municipalities achieve EPA compliance with VUEWorks GIS-integrated asset management solution

Concord, New Hampshire – **February 9, 2010** – VUEWorks, Inc. is pleased to announce that Tighe & Bond, an award-winning firm specializing in civil and environmental engineering, has joined its channel partner program. Tighe & Bond will provide sales, implementation, and training for VUEWorks® GIS-integrated asset management solutions to municipal and utility clients throughout New England.

Commented Nathaniel Norton, Tighe and Bond's GIS Director: "Tighe & Bond is pleased to be a VUEWorks Channel Partner. We provide GIS data development, system implementation, training and support to municipalities, water companies and sewer agencies. We recognize the benefit a solution like VUEWorks will provide to our clients. VUEWorks provides value by offering a straight forward, easy to learn, yet powerful physical asset management tool. VUEWorks' new facilities and pavement management capabilities, and support for ESRI ArcGIS Server make it an ideal solution for many of our clients that have made a commitment to develop GIS inventories of their Water, Sanitary, and Stormwater Sewer Systems."

Commented Rod Lovely, P.E., VUEWorks' Vice President of Product Management: "VUEWorks can help municipalities comply with regulations and save money by providing easy to use tools to track the condition of their physical assets and use that data to forecast future budget needs. Tighe & Bond's environmental engineering expertise makes them an ideal VUEWorks partner."
